MISCELLANEOUS INFO

1. Judging: (2) categories will be People’s Choice and Showmanship.

- **People’s Choice** tasting will begin at 10:30am. Teams will collect tickets from tasters and provide one Wing in exchange. 1 ticket = 1 Wing taste = 1 vote. Tasters will decide which wing they liked best of all they tasted and will award that team/wing with a gold coin. Gold coin = 2 votes.
- **Exchange Club Volunteers** will collect all tickets and coins from teams no later than 3p.
- Winner of the People's Choice Award for Best Wings will be decided by tickets and gold coins turned in by the Cook-Off attendees. So the more wings you get out there and

convince people to try, the more votes you might get and the better the odds you have to win People's Choice!

- The winner of the Showmanship award will also be based on originality, costumes, and crowd appeal. All registered teams are encouraged to ridicule and otherwise harass other teams in an attempt to make them cry. However, nudity and lewdness are banned. (that's just no fun!!) Have fun with it as best you can with your clothes on.
 - Winners will be announced at 3:30p or earlier....
2. Contestants Must Bring: Serving utensils, tables, extension cords, plug strips, canopies, foil, thermometer, sanitizing spray, decorations for their table, and “gamesmanship”! Anything else you might want to bring to enhance the eating experience and encourage attendees to give you the Gold Coin is allowed. WE ARE GOING TO ALLOW CONDIMENTS THIS YEAR! You can also offer celery or crackers.
- Foodservice gloves, plates, napkins, sampling containers, chafing frames, aluminum pans, chafing fuel, and eating utensils will be provided by Mason-Dixon BBQ Services, LLC
3. Clean-up: Tables must be cleaned as well as the surrounding area at the conclusion of the event.

PS – this is an All-WEATHER event - REMEMBER WE ARE UNDER TENT, WITH HEATERS SO COZY AS A BUG IN A RUG! OR SOMETHING SIMILAR!
